

Summer maintenance for French/ Spanish 7th graders entering 8th grade

All 7th graders entering 8th grade in French or Spanish class this September should be reviewing and reinforcing their grammar and vocabulary on our wonderful "go.hrw.com/gopages/" website during the summer vacation. It is going to give immediate feedback about wrong or right so you will be well prepared and ready to enter 8th grade and it will keep your good knowledge alive.

When website opens click on "World Languages", than on French or Spanish. On both you must scroll down to "ALLEZ, VIENS!" - level 1 or "VEN CONMIGO"- level 1 and you can start from chapter 1 until you finish with chapter 12 - more is always BETTER !!!

You should finish self test in each chapter without any mistakes!

You can also practice your pronunciation and listening on our Listening Center on First class. To get on you click on Language bank, than on Listening Center and then on French or Spanish. Remember you are level 1. Watching some nice movies or teletonelas will help also.

Speaking and using your language as much as you can during your summer vacation will be the best way to keep your French or Spanish alive.

Bonnes vacances y buenas vacaciones!
